

## Libelle software solutions in action

The greatest way to understand the true value of enterprise software is to look at it!

Experience Libelle software solutions in action - simple and comfortable either on-site or on-line in the form of a web meeting. So you can recognize still better whether our disaster recovery and high availability solutions fit your requirements.

Please take advantage of our free Libelle Solution Workshop.

### Agenda

After a short theoretical introduction, we simulate a system crash over our portable "Data Center" and demonstrate, how simply data can be restored with Libelle software solutions.

### Duration

60-90 minutes
